### **Future Talk**

Future Talk is a startup conference for everyone, from aspiring entrepreneurs taking their first step to seasoned founders seeking profound insights. With the vision that "anyone can change the world through entrepreneurship," Future Talk explores the future of startups.

## **Startup Valley**

COMEUP 2024 Startup Valley is a flagship startup pitching session led by the distinguished COMEUP Stars, showcasing groundbreaking ideas and transformative technologies on the global stage. The event is structured into three dynamic leagues — Rookie League, Runners League, and Rocket League — where a curated selection of promising startups from various industries present their visionary ideas and compete for top recognition.

# **Open Innovation**

This is a platform for exploring open innovation cases from around the world and fostering dialogue across diverse ecosystems and industries. Through two key components—the Use Case Track and the Matchmaking Track—we aim to drive growth within the open innovation ecosystem and deliver tangible business outcomes.

#### **COMEUP X**

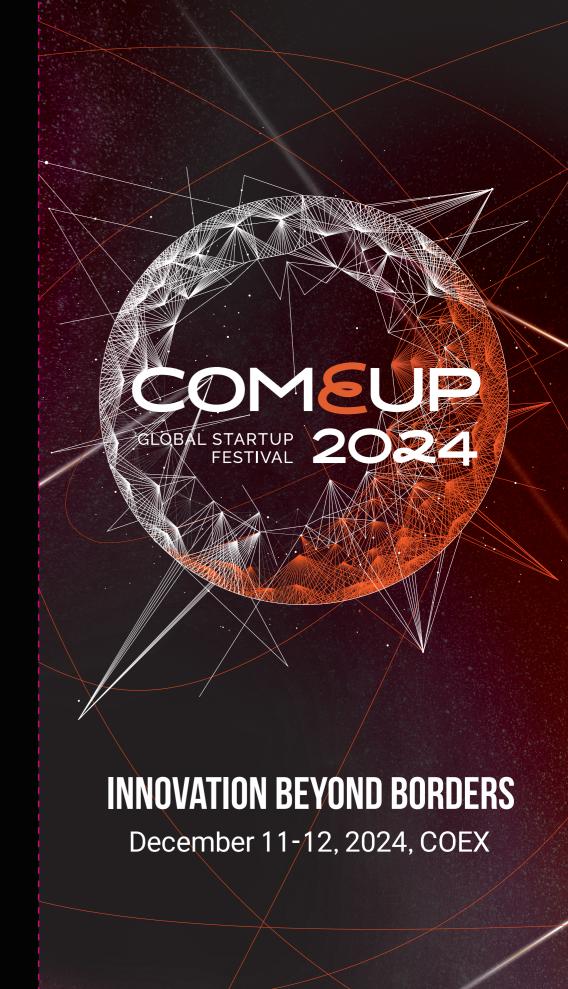

COMEUP X is a program where leading domestic and international partners in the startup ecosystem come together. Through programs prepared by each partner, it offers a unique opportunity to explore the latest trends and innovative ideas shaping the ecosystem.

## **Global Community**

Global Community is a program where outstanding startups, selected by startup-related organizations from around the world, come together to showcase innovative technologies. Here, you can explore diverse ideas through pitching competitions and booth exhibitions while gaining insights into the latest trends in the global startup ecosystem.

## **Business Meeting**

We connect founders with investors to support the startup scene in a substantial way.
